Deal Education Alliance for Learning Trust

23/06/26

Dear Parents and Carers,

We are delighted to share some exciting news about a fantastic opportunity available to our **Pupil Premium families** this summer.

Thanks to newly approved funding, DEALT is launching **The DEALT HAF Programme** in partnership with Team Theme. The programme will run from **11th–21st August 2026** and will be based at **The Downs Church of England Primary**.

This is an incredible opportunity for eligible children to enjoy a fun-filled programme of activities during the summer holidays, providing opportunities to make new friends, build confidence, stay active, and take part in a wide range of engaging experiences in a safe and supportive environment.

The programme will be open each day from **8:30am until 4:00pm**, providing families with a full day of high-quality holiday provision. As part of the programme, children will receive **two free nutritious meals each day, along with healthy snacks, at no cost to families**.

The programme is open to **Pupil Premium pupils across all DEALT primary schools**, including children who are currently in **Year 6** and preparing for their transition to secondary school.

Places will be available for approximately **20–30 children each day** and can be booked through the **HAF (Holiday Activities and Food) e-voucher scheme**, which opens for bookings on **23rd June**. These are sent directly to you via email.

This programme represents an exciting step forward for DEALT. If successful, we hope to expand the provision in future school holidays, offering even more opportunities for our children and families.

We strongly encourage eligible families to take advantage of this wonderful opportunity. Spaces are limited, and we expect there to be significant interest in what promises to be an exciting and rewarding summer experience.

Please find attached further information from Team Theme.
