

Dear Parents and Carers of Year 2 Children

Changes to School Dinners in Year 3

During Key Stage 1 (Years R – 2) your child has been entitled to Universal Infant Free School Meals. At the end of July your child will be moving to Key Stage 2 and from 1st September you will need to pay £2.75 per day for your child's school meals provided by us, (unless you are entitled to Free School Meals – in which case, please speak to the school office or visit KCC's website for eligibility).

We are a small company, owned by the majority of schools we serve. We want to keep our costs down where possible so that we can spend more on the things that really matter; primarily, high-quality ingredients for our school meals. You can help to keep our costs down by making sure your payments are up-to-date, paying on the day or in advance of your child taking their meal.

Payment Online:

Wholes School Meals no longer accepts cash. Our online payment system is a convenient way to pay.

To pay online, please visit our secure payment page www.wholeschoolmeals.co.uk/pay Select your school from the list and complete the screens as prompted. Your order will then be processed, with World Pay taking you through a secure checkout.

Worldpay allows you to pay for 1-50 meals as required, however transactions for 4 meals and under (£11.00) will incur an additional 20p admin fee.

If you choose to pay for 5 meals (to avoid the additional admin fee) and your child only eats once a week, the credit will be carried forward from week to week until the balance is zero. We remind you by email when it's time to pay again.

If you have any comments or questions about your school dinner payments, please email: admin@wholeschoolmeals.co.uk.

Thank you.
