September 2025

Dear Parent/Guardian

Important Changes to School Meals

Going Cashless/Paperless

From 1st September, Whole School Meals is a cashless company. We no longer accept cash (or cheques).

Online Payment Changes

We have changed our online payment facility to WorldPay as our current provider, ParentPay, could no longer accommodate our unique online set up.

The **new payment link**: www.wholeschoolmeals.co.uk/pay. Just as before, your balance will carry forward from week to week if your child only eats on selected days.
Transactions for 4 meals and under (£11.00) will incur an additional 20p admin fee.

We also have the new facility to take payment of any amount by emailing a 'one-time payment link' to you. If a payment link is required, please call our office on 01304 611010. Again, transactions under £11.00 will incur an additional 20p admin fee.

From 1st September, the cost of a school meal is £2.75.

If you have any questions, please contact us on the phone number or email above, we will be happy to help.

Yours sincerely

Julia Norris
